The Seekers of New Design—Near And Far Panel Discussion

Sponsored by **MILIEU**

The most creative designers today are what might best be referred to as *Seekers*—independent thinkers who have the ability to make changes in the world of design. Three inspiring and noted design *Seekers* working now are Lisa Fine, author of the new book, *Near & Far: Interiors I Love*, Carolina Irving, and Penny Morrison. Like all true *Seekers*, they travel the world constantly, observe it, and incorporate what they see into their work and products. As *MILIEU* recognizes its first annual list of *Seekers* this fall, Leslie Newsom Rascoe, *MILIEU*'s Design Director, will host these visionary designers, exploring in Lisa's new book, their passions, their secrets, and their visions for what they design and make.

ADAC Presentation Room | First Floor Atrium

MILIEU and Travis & Company invite you to a reception following the presentation. While in the showroom, view the latest fabric collections from Penny Morrison, Lisa Fine, and Carolina Irving; and shop Carolina's tabletop Pop-up Shop, as Lisa signs copies of her new book, *Near & Far: Interiors I Love*.
