- **10:00 a.m. EDT – KEN FULK IN FULL – THE ART OF A BESPOKE LIFE | ADAC Presentation Room, First Floor Atrium**
Sponsored by MILIEU and Perennials & Sutherland Studio

For visionary designer Ken Fulk, great design is about more than beautiful rooms – it is about creating entire worlds. From celebrated residences, hotels, restaurants, and cultural institutions to unforgettable events, and now a new collection with Perennials & Sutherland, Fulk has cultivated a creative universe defined by storytelling, glamour, wit, craftsmanship, and a bespoke approach to living. Join MILIEU Design Director Leslie Newsom Rascoe for a conversation exploring how a distinctive point of view transcends disciplines, how a bespoke collection expresses a creative vision, and why memorable spaces engage the senses and linger long after we leave them.

Following the presentation, please join Fulk and Rascoe for a reception and book signing to view the Ken Fulk x Perennials & Sutherland collection and purchase a signed copy of "Ken Fulk: The Movie in my Mind (Assouline)." (Perennials & Sutherland Studio, Suite 227)

Design is never simply about how a room looks; it is about how a room feels, the quiet confidence of a space that knows exactly what it is. Two of interior design's most celebrated voices come together to explore the principles that separate beautiful rooms from truly unforgettable ones. "Memorable Rooms" author Cathy Kincaid brings deeply considered traditionalism rooted in architecture and antiques. "Gracious Interiors" author Meg Braff brings joyful, color-forward conviction. Moderated by Suzanna Hamilton of Hamilton House Media, this is one conversation worth having.

- **3:00 p.m. EDT – THE MODERN GRAND TOUR: HOW GLOBAL TRAVEL INSPIRES DESIGN | ADAC Presentation Room, First Floor Atrium**

Sponsored by GEORGIA DESIGN and Travis and Company

For centuries, the "Grand Tour" was a rite of passage that defined the tastes and aesthetics of the Western world. Though today's world is more accessible than ever, one question remains: how does leaving home to explore the unknown shape the way design is created? In this keynote, GEORGIA DESIGN Editor-in-Chief Fran Worrall and globe-trotting designers Lisa Fine, Jackye Lanham, Courtney Moss, and Katie Ridder explore travel as the ultimate catalyst for great design, discussing how immersion in other cultures revitalizes creative vision and informs color, pattern, and lifestyle. The more multifaceted the cultural vocabulary, the richer the design language.

Following the presentation, join Fine, Lanham, Moss, Ridder, and Worrall for a reception in the Travis and Company showroom to continue the discussion. Enjoy light bites and peruse Travis and Company's collection of textiles, furnishings, wallcoverings, and more. (Travis and Company, Suite 131)
